Is Committed in providing a high-quality business and empowering teams and organizations through training, education, and development.

LOKO SEWING SCHOOL & TRAINING ACADEMY

Is Committed in providing a high-quality business and empowering teams and organizations through training, education, and development.

Aims to become South Africa's leading Training, Education and Development Centre for optimizing high quality training standards in such a manner that all clients will be completely satisfy

To consistently provide innovative high-quality training and getting results through professional and accredited facilitators that focus on individual outcome-based Learning.

To improve business morale through motivation for sustainable bottom-line results

OBJECTIVE

The objective is to empower an individual, group or business.

To increase high quality and relevant skills development and training opportunities directly related to the client's needs

Our objective includes

To reduce inequalities and unemployment and to promote employability.

ADDING VALUE

Empowering our clients is important to us.

- ✓ Equipping our clients with the necessary training, skills and strategies to attain and sustain a highly skilled, motivated workforce that is constantly compliant to the occupational health and safety act and company policies and procedures.
- ✓ Incorporate an attitude of flexibility to ensure our clients have access to customized solutions for daily industry-related challenges.
- ✓ Increased Social development and personnel performance results in higher productivity and increase in accountability.
- ✓ Making motivational strategies easy, accurate and useful. Making it easier for our clients to place the right employee, in the right position doing the right work at the right time. This results in lower rate in incidents/ accident that leads to cost and time saving.
- ✓ Our strategies help clients enjoy functioning teams allowing our clients to capitalize on the resources at hand to keep the occupational health and safety act policies alive at work.
- ✓ Maximizing our clients training budget through affordable packages for Skills development, training development and social development.
